Graduate budget based upon 4 hours enrolled during summer term
MBA Graduate budget based on 4 hours enrolled during summer term

The cost of attendance presented is a standardized estimate of various university charges and other educational expenses. Amounts are subject to change at any time at the discretion of the governing board, provided no increases to tuition/fees are effective unless approved by the governing board at least 30 days prior to the beginning of the academic term to which the tuition and fees are applicable. Any approved revision of tuition/fees is effective regardless of whether they have been paid prior to the effective date of the revision.
