

Exit Counseling

Exit counseling is completed at www.studentloans.gov and is a required when you graduate, leave school, or drop below half-time enrollment.

To log in you will need to know your social security number and PIN. You will be prompted at login to set up your new FSA ID/Password.

It is helpful if you know your financial aid details, current or expected income, and living expenses before starting your exit counseling.

Choose to notify Missouri S&T that you have completed your exit counseling. Our school code is 002517.

The 'Understand Your Loans' section will help you understand important terms such as disbursement, principal, repayment period, and capitalized interest.

Complete the purple 'Check Your Knowledge' questions in order to complete your counseling.

You will need to know the name, address, and phone number of your closest living relative and two references.

References can be anyone with a different address than you and that you have known for at least three years.

At the end of the counseling you will be asked to pick a repayment plan. You can choose between Standard, Graduated, Income-Based Repayment (IBR), IBR for New Borrowers, Pay As You Earn, or Income-Contingent Repayment (ICR).
