### **Visa**

If you already have a passport, please visit the U.S. Department of State website and search for Country Specific Information to see if you need a visa to enter and study in the particular country. Once you locate the country where your study abroad program is located, click on 'Entry, Exit and Visa Requirements' to determine whether you need to apply and the cost of obtaining a visa. Please wait for further instructions from your study abroad advisor before applying for a visa.

### **Medical Insurance**

All S&T students studying abroad are required to purchase health insurance from Missouri S&T. For more details on coverage and cost, please visit the Study Abroad insurance website. Please note that your host institution may also require you to purchase a health insurance coverage.

### **Immunizations**

The Centers for Disease Control and Prevention has a Travelers' Health website with up to date information regarding current travel health warnings and a database with recommendations for vaccinations and/or medications for each country. Go to <http://www.cdc.gov/travel/default.aspx> and click on "destinations" to choose the country to which you are travelling. You will be directed to a country specific overview of health information for travelers to that country. If additional immunizations are needed for travel to this destination, please factor the cost in your Worksheet.
