HIGHER EDUCATION IS AN INVESTMENT IN YOUR FUTURE AND A SIGNIFICANT FINANCIAL DECISION.

One of the most important first steps in determining how to pay for college is your financial aid offer. This guide will help you read and understand the offer you’ve received, and includes information about estimated costs, the types of aid offered to you, and what you can expect to pay out of pocket for the academic year.

We take pride in being recognized as one of the nation’s premier value universities, supported by an array of financial factors and datasets. These factors include starting salary ($72,600 on average for our undergraduate students across all majors), tuition, living expenses, student retention rates, and scholarships awarded. Notably, The New York Times, the Wall Street Journal, Money and other publications consistently rank us in the top-tier category for our value.

Thank you for reviewing this guide. Accepting your offer of financial aid indicates that you understand the information provided here and that you are aware of the eligibility requirements you must satisfy to maintain the offer.

STUDENT FINANCIAL ASSISTANCE

@SandT_Financial
Your financial aid package will likely contain different types of funds like grants, loans and work study. If your family’s financial situation changes significantly after you have submitted your FAFSA, email sfa@mst.edu to request a review.

2. Tuition and Fees
S&T offers a flat rate tuition model for undergraduate students, which includes 12–18 credit hours per semester. This simplified and transparent approach, based on major, ensures that students pursuing their undergraduate degrees can focus on their academic goals without the complexity of variable tuition costs. The flat rate structure provides financial predictability and encourages students to take a full course load, promoting timely graduation and academic success.

3. Housing and Dining
Estimated Housing and Dining amounts are based upon the average residential life cost for the campus population. All fee rates are set by the University of Missouri Board of Curators in the spring, and are typically available by April 1 of each year for the upcoming fall semester.

4. Indirect Costs
These costs are not billed to the student but should be considered in the overall cost of going to college. These estimates are based on a survey of current S&T students.

- Books and Supplies – Estimate based on a survey of current S&T students.
- Personal Expenses – You have indirect costs you will incur during the year (cell phone, shampoo, toothpaste, etc.).
- Loan Fees – The percent or flat-rate, if any, charged to borrow a loan. Lenders/Servicers may charge other fees besides the interest on the loan for origination and servicing.
- Transportation – Estimate based on a survey of current students and includes two trips home per semester.

5. Financial Aid Offers
Scholarships and grants do not have to be repaid after you graduate. However, you usually have to enroll full-time each semester. Some scholarships can be renewed if you meet certain renewal criteria. For more information, go to sfa.mst.edu. Other scholarships require that you apply each year at scholarships.mst.edu. To renew grants, you need to submit the FAFSA annually by the priority deadline.

6. Estimated Cost of Attendance After Grants and Scholarships
If your direct and indirect costs are the same as most students’ costs, then you would have to pay approximately this much during the course of the year. Keep in mind that this may not be money you pay to S&T; it could be money you use to pay other bills, buy toiletries, etc.

7. Student Loans and Other Options
Loans are a type of financial aid that the student must repay, usually with interest. For more information on loans, please visit sfa.mst.edu/financial-aid/loans.
FINANCIAL AID CHECKLIST

Make sure you complete the following:

NOW
- Set up your Joe’SS username and password to accept your aid at nextsteps.mst.edu
- Apply for additional scholarships at scholarships.mst.edu
- Set up guest access — Students may grant access to parents and/or guardians through the registrar’s office. Follow the instructions at go.mst.edu/addaccess. This allows guest access to view educational records, view account information and make payments.

MAY
- Report private scholarships in Joe’SS at joess.mst.edu

JUNE
- Accept or decline your aid in Joe’SS before the first bill generates
- All S&T first-time Direct Loan borrowers need to complete Direct Loan Entrance Counseling and the Master Promissory Note at StudentAid.gov before your funds can be disbursed.

JULY
- Mail any private scholarships to:
  Missouri S&T
  Student Financial Assistance
  G1-Parker Hall, 300 W. 13th St.
  Rolla, MO 65409-0250
  Include student ID#

Check your S&T email and Joe’SS To-Do List regularly and respond to requests for additional information quickly to ensure your aid is disbursed in a timely manner.

LOOKING FOR MORE SCHOLARSHIPS?

Your offer includes all scholarships that you are automatically considered for upon admission. But S&T offers many competitive scholarships that you may be eligible for as well. Applying is easy. Complete your application at scholarships.mst.edu to be automatically matched. More than 1,100 privately funded scholarships are available.

ENROLLMENT REQUIREMENT

Your aid is based on the assumption that you will be enrolled full-time each semester. During the fall and spring semesters, this requires at least 12 hours for undergraduate students and at least 9 hours for graduate students. If you plan to take fewer hours than what is required to be a full-time student, please contact the student financial assistance team at 573-341-4282 or sfa@mst.edu to determine how your enrollment status will affect your aid. Enrollment is verified each semester prior to disbursement of all funds and again after the second week of class.

$117+ million

Funds from federal, state, university and private sources each year.
**STUDENT LOANS**

Loans are not required. The amounts must be repaid.

Students must accept loans in Joe'SS before S&T’s student financial assistance team will process the funds. First-time S&T borrowers must complete a Direct Loan Master Promissory Note (MPN) and Entrance Counseling at StudentAid.gov before federal funds will disburse to a student’s account.

*Visit StudentAid.gov/Interest to see current loan interest and origination rates.

**Parent PLUS loan information at: sfa.mst.edu/financial-aid/loans.

**FEDERAL PARENT AND GRADUATE PLUS LOANS**

Because of the lower interest rates on the Direct Subsidized and Unsubsidized Loans, we encourage students to maximize those loan options first. If additional assistance is needed, graduate students and parents of dependent undergraduate students can apply for a Federal Direct PLUS loan. Once we receive notice of your approval for the loan, we will certify and accept the loan on Joe’S’s. Visit StudentAid.gov to complete the application, credit check, and master promissory note. We encourage you to wait until May to apply for a PLUS loan.

We advise you to consider federal loans first. However, information on private loans can be found on the FASTChoice lender page at sfa.mst.edu/loans/private-loans. University loans may also be available in high need situations; contact our office if you have questions.

**BILLING INFORMATION**

Beginning in mid-July, you will receive an email from the Cashier’s Office directing you to pay your bill. You will not receive a paper billing statement in the mail. Online payment through TouchNet is the quickest way for a payment to post to the student account. Students can access their TouchNet account through their Financial Account tile in joess.mst.edu. Payment plan information is available at go.mst.edu/paymentplan. To learn more, call 573-341-4195 or email cashier@mst.edu.

**VERIFICATION**

Each year the federal government requires that we verify the accuracy of FAFSA data submitted by select financial aid applicants. We have partnered with Inceptia — and if you are selected for verification, Inceptia will request various documents (including tax documents) from you and your family. We cannot disburse any Federal or State aid until this process is complete, and this process may change your award package. Please contact our office if you have questions about this process.

**Satisfactory Academic Progress and Financial Aid**

To receive federal, state, and some institutional aid, students must make Satisfactory Academic Progress (SAP) per federal financial aid guidelines. Please familiarize yourself with these requirements on our website sfa.mst.edu/resources/policies. Failure to meet SAP may result in loss of financial aid eligibility.

**ADDITIONAL RESOURCES TO CONSIDER**

Federal and Institutional Work Study are awarded to students with high financial need who complete the FAFSA by the priority deadline. Additional information at: sfa.mst.edu/financial-aid/work-study.
