

Student Financial Services Next Steps

- Completed your Free Application for Federal Student Aid (FAFSA) at [FAFSA.gov](https://fafsa.gov)

- If you already submitted a FAFSA, we may have created a preliminary financial aid offer for you! Check out your Message Center in Joe'SS:

Official letters will be mailed the end of February!

- Keep applying for Scholarships at scholarships.mst.edu. Most deadlines were February 1, but we want you to be included if funds become available!

- Looking for a larger merit scholarship? Consider retaking the ACT/SAT test to maximize your award! We will take the highest score through the June test.

- Once you receive your financial aid offer letter in the mail, accept or decline your loans and/or work study in Joe'SS.

Don't forget to hit submit!

- If you accept federal student loans, you will need to complete a Master Promissory Note (MPN) and Entrance Counseling at studentaid.gov

- Keep an eye on your To-Do list in Joe'SS for anything we might need to complete your financial aid offer.

- For additional loan options, consider a private student loan, or a Parent PLUS Loan. These are both credit-based loans and private student loans may need a cosigner.
